Dear Bill,

Thank you for your time and cooperation with us in the planning of the proposed Triathlon at COMLARA County Park. Our goal is to conduct a world class Triathlon on July 22, 2006, and your help is greatly appreciated.

This is a request to use the facilities at COMLARA County Park on July 22, 2006, for the proposed triathlon. Specifically, we are requesting the use of the Main Recreation Area, which is where the majority of the activities will take place, as well as the use of the shelters and surrounding areas. The event organizers will be responsible for contacting local residents impacted by the event.

We would appreciate approval as soon as possible so that we may publicize the event, as well as get the Triathlon on the calendar before other communities and organizations.

On behalf of the Bloomington-Normal Area Convention & Visitors Bureau and the Bloomington-Normal Area Sports Commission, thank you very much for your consideration and cooperation.

Sincerely,

A handwritten signature in black ink that reads 'Matt Hawkins'.
